

The Whitleigh Weekly!

The Spring Term always seems to go so fast - already we are just one week away from half term and looking back, we have crammed so much in already in 2024. Our year 6 children are fully in preparation mode for their SATs and I am delighted with their focus and efforts each day. Our youngest children had a visit from the fluoride vanish team this week. Unfortunately due to the poor weather the KS1 local area walk had to be postponed which is typical given that this has been the only day it rained this week. Hopefully this can be rearranged in the near future.

Have a wonderful weekend,

Mr Dyson

PARENT WORKSHOP

Join the Pastoral Team
for a

Parent workshop

support & strategies for
managing children's behaviour

Wednesday 7th
February
2.15pm

Please speak to Amy/Sandra/Mrs Havard to book a place
or
call the office

Come and join us! So many times we may feel isolated in different ways so it is always good to come together and meet other people to talk. This is an informal supportive workshop. Come and have a tea or coffee.

Step By Step

Step by step for 0-5 years

Do you have any worries about your child's development?

We have specialised groups to help with children who may have signs of developmental delay and/or SEN.

Come along to one of our Step By Step groups to gain advice and support for you and your child.
